The Center for Healthy Families has compiled a list of organizations and programs that offer either services developed especially for pregnant or parenting teens, or that especially reach out to pregnant and parenting teens. Where to start? We recommend that you start with a review of resources listed on pages 1 to 10. These organizations have provided the most detailed information to help you understand what needs they can best meet. Services available through Franklin County Department of Job and Family Services are described on pages 11 and 12. Beginning on page 13, you will find additional community resources that may also be of benefit.

### ACCESS Collaborative at The Ohio State University, Office of Diversity and Inclusion

**DISCLAIMER**

- The Center for Healthy Families - www.centerforhealthyfamilies.org
Learning, Earning and Parenting (LEAP):
A cash assistance program for custodial teen parents up to the age of 20 who have not completed high school or received a GED Certificate. The program provides case management assistance for services such as child care, transportation, and other school-related issues to eliminate obstacles to graduation.

Ohio Works First (OWF):
A time-limited cash assistance program to help meet the financial needs of eligible children and their parents. All customers of cash benefits under OWF can also receive health care under the Medicaid program and food stamps and will be assisted to determine the best approach to finding employment.

Subsidized Child Care:
Services for children under age 13 for placement in a Child Care Center or with a Home Provider. Eligibility includes an income level at or below 125% of the Federal Poverty Level and current participation in a school, training, or employment activity.

Prevention, Retention & Contingency (PRC):
One-time financial assistance to aid with emergency situations. Applicants must have at least one minor child or a pregnant woman living in the home and be at or below 165% of poverty.

Food Assistance:
A Supplemental Nutritional Assistance Program (SNAP) designed to raise nutritional levels, to expand buying power, and to safeguard the health and well-being of individuals in low-income households in Ohio. A household may consist of an individual or a group of individuals who live together and usually purchase, prepare, and eat their food together.

Medicaid:
Provision medical care to eligible customers through various programs:
• Pregnancy-Related Services: Case management and transportation services for Medicaid-eligible pregnant women.
• Healthy Start Healthy Families: Medical, dental, vision, and prescription coverage for low-income families below poverty and children in families up to twice the current poverty level.
• Qualified Medicare Beneficiaries (QMB): Assistance with Medicare cost-sharing (premiums not included) expenses for eligible elderly and/or disabled individuals.
• Healthchek: Medical, dental, vision, and hearing screening for eligible children from birth to age 2.
• Medicaid Expansion: Covers income-eligible individuals between the ages of 19 - 64 years old that do not have Medicaid.

Medical Transportation Services:
Provided for non-emergency medical appointments for Medicaid customers.

Interpreter Services:
Available usually within 24 - 45 hours in any language for all Limited English Proficient customers. Language services are also provided for the Deaf/Hard of Hearing.
Franklin County School Districts:

If you or your child is pregnant or parenting, talk to the home school social worker, guidance counselor, or nurse. Ask about home instruction services, if needed. The district office can refer you to the appropriate department and contact person at the correct home school.
